El campo [Search Modes] se puede configurar para que automáticamente se introduzca una “O” entre los términos de búsqueda, simplemente activando la opción **Find any of my search terms**. Para colocar una “Y” entre los términos de búsqueda, hay que seleccionar **Find all my search terms**. Activando la opción **Apply related words** se amplía la búsqueda. Una vez definidos los limitadores, se pincha en **Search**.

Pinche en el icono de la **carpeta** para guardar los resultados de sus búsquedas en una carpeta temporal. Para salvar los resultados guardados durante una sesión, hay que pinchar en el enlace **Sign In** para acceder a la carpeta personal de My EBSCOhost, o bien crear en ese momento una cuenta personal (sin coste).

The screenshot displays the EBSCOhost search interface. At the top, a blue navigation bar contains links for 'New Search', 'Publications', 'CINAHL Headings', 'Evidence-Based Care Sheets', and 'More'. On the right side of this bar are links for 'Sign In', 'Folder', 'Preferences', 'Languages', and 'Help'. Below the navigation bar, the text 'Demonstration Medical Library' is visible in the top right corner. The main search area features the EBSCOhost logo on the left. To the right of the logo, the text 'Searching: CINAHL Complete' is displayed, followed by a link to 'Choose Databases'. A checkbox labeled 'Suggest Subject Terms' is checked and highlighted with a red box. Below this checkbox is a search input field containing the word 'migraine', a clear button (x), and a green 'Search' button with a help icon (?). At the bottom of the search area, there are links for 'Search Options', 'Basic Search', 'Advanced Search', and 'Search History'.

También existe la posibilidad de buscar por los encabezados de las materias/temas. El equipo editorial de CINAHL ha asignado estos términos basándose en el contenido de los artículos, y de este modo permitir la creación de una búsqueda controlada. Cuando se marca la opción **Suggest Subject Terms**, los términos de búsqueda se lanzan contra los descriptores de CINAHL. A partir de aquí, es posible seleccionar descriptores y subdescriptores para refinar la búsqueda.

The image shows a screenshot of the EBSCOhost search interface. At the top, there is a blue navigation bar with several menu items: "New Search", "Publications", "CINAHL Headings" (which is highlighted with a red box), "Evidence-Based Care Sheets", and "More". On the right side of the navigation bar, there are links for "Sign In", "Folder", "Preferences", "Languages", and "Help". Below the navigation bar, the text "Demonstration Medical Library" is visible in the top right corner. The main content area features the EBSCOhost logo on the left. To the right of the logo, there is a search bar with the text "migraine" entered. Above the search bar, it says "Searching: CINAHL Complete" and "Choose Databases". Below the search bar, there is a checkbox labeled "Suggest Subject Terms" which is checked. To the right of the search bar is a green "Search" button with a question mark icon. Below the search bar, there are links for "Search Options", "Basic Search", "Advanced Search", and "Search History".

También es posible pinchar en los descriptores [**CINAHL Headings**] de la barra superior para buscar los encabezados de materias más apropiados y ayudar de esta forma a la construcción de la estrategia de búsqueda. Para obtener más información sobre este tema, puede consultar el tutorial “Using CINAHL/MeSH Headings” en la página de soporte de EBSCO.

The screenshot displays the EBSCOhost interface. At the top, a navigation bar includes 'New Search', 'Publications', 'CINAHL Headings', 'Evidence-Based Care Sheets', and 'More'. The 'Evidence-Based Care Sheets' menu is highlighted with a red box. The 'More' dropdown menu is also visible, with 'Quick Lessons' circled in red. Below the navigation bar, the 'Database: CINAHL Complete – Quick Lessons' is shown. A search box contains the text 'headache' and a 'Browse' button. Below the search box, there are radio buttons for 'Alphabetical' (selected) and 'Relevancy Ranked'. A 'Page: < Previous | Next >' navigation is present. A 'Select one or more items and click Search' section is shown, with a 'Search' button circled in red. Below this, a list of subjects is displayed, with 'Headaches, Migraine' selected and circled in red. Other subjects in the list include 'Headaches, Tension-Type', 'Heat Stroke', 'Hemophilia', 'Hepatitis A', 'Hepatitis B', 'Hepatitis C', 'Hodgkin Lymphoma In Adults', 'Hodgkin's Lymphoma In Childhood/Adolescence', and 'Hypothyroidism In Adults'.

También se puede acceder directamente a las Hojas de Cuidados basados en el Evidencia [**EVIDENCE-BASED CARE SHEETS**] en la parte superior de la barra de tareas; o a las Lecciones Rápidas [**QUICK LESSONS**] bajo el epígrafe **More** para ver la lista de todas las opciones disponibles. Solo hay que seleccionar la materia de interés y pinchar **Search**.

### EBSCOhost Research Databases

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

[View A Tutorial On This Topic >](#)

#### EBSCO Support Site

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, [tutorials](#), and user guides can provide answers to your technical questions.

EBSCO Customer Support Representatives are also available by [phone](#) and [e-mail](#) 24 hours a day, Monday through Friday, as well as Saturday and Sunday from 9 a.m. to 5 p.m. (US EST).

#### How to Use Help

- When the Help icon  appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon  to the right of the Find field and click on the Database name at the bottom of the left-hand side of the Help window. Database help is also available from the Choose Databases window.
- To view the entire Help System, click the [Help](#) link at the top right-hand corner of the screen.

**Note:** The recommended screen resolution for EBSCOhost is 1024 x 768.
